

Topo Mini

Meet Topo Mini, the slimmed down Topo

Topo Mini delivers the unique combination of micro and macro movements that make Topo the dynamic standing mat in a smaller package, so you can fit your better standing into smaller spaces.

Not just another standing mat

The objective of Topo is to unlock the true benefits of using a standing desk by making standing dynamic and keeping users moving and healthy.

All the benefits of Topo – the calculated terrain and the engineered material – have been massaged into a smaller package to deliver Topo Mini.
